A little prep.
A more familiar first stay.

Less last-minute guessing. More of what makes your doggo feel at home.

Tick as you go. Skip anything that does not apply; ask us if you are unsure.

DOGGO'S NAME _____ **STAY DATES** _____

1 Before the bags come out

- ☐ Confirm the booking, drop-off and pickup with us.
- ☐ Discuss suitability and any visit or trial we agree is needed.
- ☐ Share requested health records and confirm preventive-care requirements.
- ☐ Agree food, medication, updates and a backup collection plan.

2 Pack the familiar, not the whole house

Bring only what we have agreed for your doggo's stay.

- ☐ Labelled food, with portion sizes and feeding times.
- ☐ Any agreed medication, in original packaging with prescribed instructions.
- ☐ Agreed collar or harness, identification and lead.
- ☐ A permitted comfort item; tell us about chewing or guarding.
- ☐ Routine notes, emergency contacts and requested health-record updates.

3 One last catch-up at drop-off

- ☐ Tell us when they last ate, toileted or had agreed medication.
- ☐ Flag any new health or behaviour changes, even the little things.
- ☐ Confirm how to reach you and your backup contact.
